Who we are

Swindon Paragon Integrated Domestic Abuse Service (SPIDAS)

PARAGON are a team of passionate people working in domestic abuse, sexual violence, and stalking services. We are a team with lived, worked, and life experiences which we use to help the people we work with and each other.

We believe there is no 'you and us' — only us. We work together with you, using our combined experiences and knowledge to help you with your decisions. The diversity of our staff means we have the knowledge, skills, and experience to work with people from many communities, including LGBTQ+, BAME, and the elderly.

PARAGON offers support, advocacy, advice, guidance, and information to people as victims and survivors of domestic abuse and for those people who cause harm to others in their relationships.

We strive to offer inclusion, innovation, and excellence to ensure that our support is right for you. If we get it wrong, please tell us, and together we can make it right.
